Dear Ms Rochira

Re: Formal written notice issued under the Commissioner for Older People (Wales) Act 2006: Additional information required.

I refer to your letter dated the 17th April concerning Blaenau Gwent's response to your Requirements for Action, in your report 'A place to call home?' I felt it was not clear as to the level of detail you required in response to your actions. Clearly our approach was insufficient and I have endeavoured to provide the detail you require.

I have therefore re-completed the requirement for Action concentrating on those areas you have concluded is unacceptable or partial. The full response is enclosed.

I trust the details of the actions we are progressing within Blaenau Gwent will reassure you we are working towards implementing requirement for Action and their intended outcomes.

Yours sincerely
