Dear Commissioner,

Re: Dignified Care Hospital Review , feedback and Written Notice requesting further information by 15th August.

Thank you for your letter of the 12th July 2011.

Flintshire did submit to Betsi Cadwaladr University Health Board information to be incorporated in the joint response from BCUHB and the Local Authorities.

Flintshire did have sight of the joint response, had the opportunity to offer amendments to it, and it was presented to the Health and Social Care Overview and Scrutiny Committee prior to its submission to yourselves.

I do attach for additional information however, the original submission that was made by ourselves to BCUHB.

Yours Sincerely

Judy Evans,

Partnership Manager Health Social Care and Well Being Strategy
