Practice examples

This list of respite services is drawn from the examples included in the Rethinking Respite report. It also includes further respite examples from the responses to the call for good practice undertaken by the University of Worcester, in partnership with the Older People's Commissioner for Wales. Submissions have to the call have not been listed where there was limited information or the service/project was indirectly related to respite.

The projects and services have been categorised into:

- Wales;
- the Wider UK; and
- beyond the UK.

The Older People's Commissioner for Wales is not in a position to validate these practice examples, they are to help illustrate the range of respite opportunities and do not form a comprehensive list. All website links accessed 18/04/2018.
